

ONWASA has scheduled jetting for the sewer lines in the Holly Ridge area on Friday, March 22nd and Monday, March 25th through Friday, March 29th between the hours of 8:00 AM and 4:00 PM each day. The purpose of the jetting is to clean grease and debris from the sewer main.

This area includes S Green St., S Dyson St., S Hines St., S Jenkins St., Sanders St., Pine St., Hudiberg St., S. Smith St., Dwight St., Cypress Ave., Brent Ave., Burroughs Rd., and Bumblebee Ln.

ONWASA recommends customers in the areas of the jetting keep toilet lids closed to avoid possible water splashing. ONWASA personnel will be on-site in the areas of jetting to address any concerns.
