Pursuant to N.C.G.S 143-129, sealed single-prime Bids will be received by the Onslow Water and Sewer Authority (hereinafter referred to as ONWASA), at the ONWASA offices in Jacksonville, North Carolina, until **October 24, 2023, at 2:00 p.m.**, and immediately thereafter publicly opened and read, for constructing the following facilities:

North Topsail Beach Booster Pump Station

Work of the Project includes, but is not limited to:

1. Installation of a packaged booster pumping system, including pumps, piping, and valving, with integrated variable frequency drives (VFD) and construction of an elevated booster pump station building.
2. 10-inch water main piping connecting to the existing 10-inch water main on Island Drive (NC 210) by open-cut installation.
3. Electrical service, wiring, conduits, and connections to the pump control system.
4. Water main piping connections to a skid-mounted booster pump system, valves, fittings, and appurtenances.
5. Installation of a 10-inch check valve and vault at the proposed booster pump station site.
6. Installation of a 10-inch electric actuated butterfly valve and vault at the proposed booster pump station site. The electric-actuated butterfly valve shall be remotely operable through SCADA.
7. Monorail hoist installed inside the pump station building.
8. Installation of a 12-inch check valve, vault, and bypass piping connection on the existing 12-inch water main crossing the Intracoastal Water Way at Marina Way.
9. Installation of two (2) 12-inch electric actuated gate valves at the Marina Way site that shall be remotely operable through SCADA.
10. Other work associated with the construction of the booster pumping station, as shown on the construction plans.

Bids must be submitted on a complete contract. Bids must be enclosed in a sealed envelope, addressed to the Onslow Water and Sewer Authority, 228 Georgetown Rd., Jacksonville, NC 28540, and the outside of the envelope must be marked "North Topsail Beach Booster Pump Station, Onslow County, North Carolina." If a Bid is forwarded by mail, the sealed envelope containing the Bid must be enclosed in another envelope addressed as above. Bids by FAX transmission are not acceptable and will be rejected. Bids must be submitted using the forms included in the Bid documents. The name, address, and North Carolina Contractor's license number of the Bidder must be marked on the sealed envelope.

Each Bid must be accompanied by cash or a certified check, drawn on a bank or trust company authorized to do business in North Carolina, payable to the Onslow Water and Sewer Authority in an amount at least equal to five percent (5%) of the total amount of the Bid, as a guarantee that a contract will be entered into and that a satisfactory performance bond will be executed. In lieu of cash or a certified check, the Bidder may submit a Bid Bond in the form prescribed in N.C.G.S. 143-129.

Bidders are notified that legislative acts relating to licensing of contractors will be observed in receiving bids and awarding contracts and that satisfactory performance and payment bonds will be required on this project.

A Pre-Bid Conference will be held at the North Topsail Beach Town Hall, 2008 Loggerhead Ct, North Topsail Beach, NC on October 11, 2023, at 2:00 PM. All persons/firms who are considering submission of a bid for this project are encouraged to attend.
